2. **STATUTORY REQUIREMENTS** - Purchasers will be deemed to have satisfied themselves prior to purchasing regarding current legal requirements (e.g. Health & Safety at Work Act) and it is expressly brought to the bidders attention that equipment in the sale may not necessarily comply with such regulations. Any purchaser shall satisfy himself as to any statutory requirement for the use of any item and no liability shall rest with the vendors nor the Auctioneers.
3. **VARIATION OF LOTS** - Auctioneers reserve the right to withdraw, consolidate or divide any lot or lots or submit them in any order that they deem desirable.

If there is a surplus on resale the Auctioneer shall have the right to appropriate the same, or if a deficiency, to recover from the purchaser such deficiency.
7. **INDEMNITIES AND PENALTIES** - Purchasers shall pay for any damage done by themselves or their agents during the removal of their lots. Attendance at the sale shall be at the risk of those attending to both themselves and to their goods and vehicles.
