# CLARKE AND SIMPSON AUCTIONS WELCOME YOU TO THEIR AUCTION CENTRE

## Useful Information

Buying at auction can be fun - and can offer good value for money. We are always happy to answer any queries you may have but below we hope we have given a summary which will answer many of the most frequently asked questions. Whilst this guide will be useful to you, please do be aware that full terms and conditions can be found on our website and you should read these before purchasing.

### Speed

Depending on the auction, the sale normally proceeds at a rate between 100 and 150 lots per hour.

### Payment

Payment is normally expected on the day of the sale other than by special arrangement. Payment can be made in cash (up to a maximum of £12,000 including VAT), debit card, credit card (although there will be surcharge in this regard) or by bank transfer. Where possible, lots should be collected on the same day or following day.

### Buyer Registration

We operate a number system for ease and speed and all buyers must register on arrival. Buyers are required to confirm their address and will need to show proof of identity - we suggest driving licence or bank card.

### Guide Prices

Guide prices are in no way definitive and they only exist to help buyers gauge likely values. Where items are offered for sale subject to a reserve price, it is our policy to reflect the reserve price at a level no higher than the lower end of the "guide price".

### VAT

Lots marked with an asterisk ( \* ) will be sold at the hammer price plus VAT, in addition to the Buyers premium.

### Buyers' Premium

All lots purchased are subject to a Buyers' premium at 18% (plus VAT at the standard rate). In addition, purchases online will be subject to an additional surcharge as will items purchased with a credit card.

### Electrical Goods

Electrical items are tested to comply with DTI standard for safety. This in no way implies that the item is in working order.

### Damaged and Restored Lots

Although damage is noted on some occasions, general imperfections, cracks, chips etc are not stated and it is the responsibility of the purchaser to satisfy themselves of the condition of each lot prior to bidding.

### Commission Bids

Potential buyers unable to attend the sale can get involved by leaving a written commission bid. We use every effort to execute these bids, but cannot be responsible for missed bids or lots purchased due to incorrect information.

### Auction Centre Opening Hours

The Auction Centre is open for business 8.30am to 4.30pm Monday to Friday and between 9am and 12noon on Saturday and at other times when we have a special sale.

We hope this is helpful to you, please do ask if you have any further queries. We hope you will enjoy attending the sale - please don't be scared, we have never knowingly sold something due to an accidental sneeze so we hope you will not end up with something you do not want.
