The Charity Auction

All these wonderful sculptures will be sold in auction, by Clarke & Simpson, at The Oaksmere, Eye at 7pm on Thursday 16th September.

Please do join us at this prestigious reception to view all the sculptures in one place and to meet the artists and sponsors. Online bidding will also be available.

Please visit www.eyesculpturetrail.co.uk to purchase tickets, and for more information.

The blossom charity

Who are we and what do we do...

The blossom charity exists to help women and men who would like help to make their lives work better so they can live their best lives. It could be that someone needs help to improve their confidence and build new skills or help to launch a business idea.

We help by offering free workshops, 1:1 coaching and style days as part of a specific programme or as a standalone. We work with people to understand their goals and tailor our support so that they are able to make long lasting changes. Our approach works!

In partnership with The John Le Vay Cancer Centre in Ipswich, we hold makeover days for deserving women undergoing or recovering from cancer treatment which helps boost their confidence and gives them a treat.

As well as our established blossom Development Programme for women, we have introduced a separate Programme for men. Also, we have initiated a Reboot programme to offer support and help to men and women who have been impacted by the Covid crisis - those who may have lost their jobs or businesses, or lost their confidence and don't know what to do next or find it hard to get going again.

If you feel you would benefit from one of these programmes please contact us.

We are delighted to bring to Eye, this Tortoise and Hare art trail, representing The Way Ahead as we recover from the pandemic. A massive thank you to everyone who made it happen. We hope you enjoy walking around and viewing the amazing sculptures.

Keep Moving Suffolk!

The Keep Moving Suffolk campaign provides information, advice and useful links to help you, your family and the local community to get active and stay active during these challenging times.

The campaign website www.keeptomovingsuffolk.com, has a range of resources, tips, tutorials and information to support you to exercise outside and inside the home, as well as resources specifically for older people and for children. It also includes information on taking care of your mental health and where to get support to be active if you have a long-term health condition.
