Clarke & Simpson is an independent firm of Chartered Surveyors based in Framlingham, Suffolk.

Our commercial property department deals with a wide range of matters as follows:

- Sales
- Lettings
- Professional valuations
- Property management
- Lease renewals
- Rent reviews
- Asset management.

We are also constantly dealing with commercial development opportunities ranging from single building plots to large sites. We are actively involved in the development process, from pre-planning at the start to the sale at the end. We always try to see 'the angle' and can offer advice about barn conversions and properties that require general renovation and/or redevelopment. In recent times, we've focused much more on strategic planning opportunities and specialised in helping clients to partner the right developer. Whether this is a house builder or a promoter, we try to maximise a return from their land in the shortest possible time. The current focus concerns the need for a five-year land supply, and we've already been able to help clients achieve some extraordinary returns in quite short time frames.

We pride ourselves on our dedicated, personal and professional service.
